

Learning & Development Professional Development Award:

G7EM 15 - Certificate in Supporting Learning within the Workplace (Level 3/4 - SCQF Level 7- HNC+)

This Certificate offers a qualification to those who work with learners but do not necessarily train and assess in the workplace.

It is suitable for those who mentor, coach and provide initial assessment needs assessment. It also could offer a qualification route to those such as Learning Assistants in FE colleges and those who work in learning centres supporting learners but who are not subject experts and therefore do not provide learning support.

The above awards are achieved by holding an Induction/Training Half Day and then building up a portfolio composed of observation, knowledge and product evidence.

The length of time taken to achieve the award varies with each candidate.

This course is delivered, assessed and achieved within the workplace, thus avoiding the necessity for day release and loss of production time.

It includes induction, support meetings and ongoing on-line and telephone support

It is a practical and work based award leading to a full nationally recognised Vocational Qualification.

It is assessed over time to accommodate your work patterns and is suitable for any type of assessments.
